Western Kentucky Paralegals

Purpose & Goals

Western Kentucky Paralegals was formed in 1992 to provide support and guidance for paralegals in the Western Kentucky area.

WKP's goals are to provide continuing legal education and ethical guidelines to its members and increase community awareness of the paralegal profession. Continuing legal education is required to maintain WKP active membership.

As an affiliate of the National Association of Legal Assistants (NALA), WKP has adopted the Code of Ethics and Professional Responsibility of NALA and its members agree to be bound by the Code.

WKP endorses the Certified Legal Assistant/Certified Paralegal program administered by NALA. WKP recognizes certification as a personal achievement and recognition of dedication to the profession. Certification requires successful completion of a comprehensive examination and continuing legal education is required to maintain CLA / CP status.

WKP also encourages its members to take the Kentucky Certified Paralegal (CKP) exam, a voluntary certification in Kentucky ethics. Certification is awarded through the Kentucky Paralegal Association (KPA).
